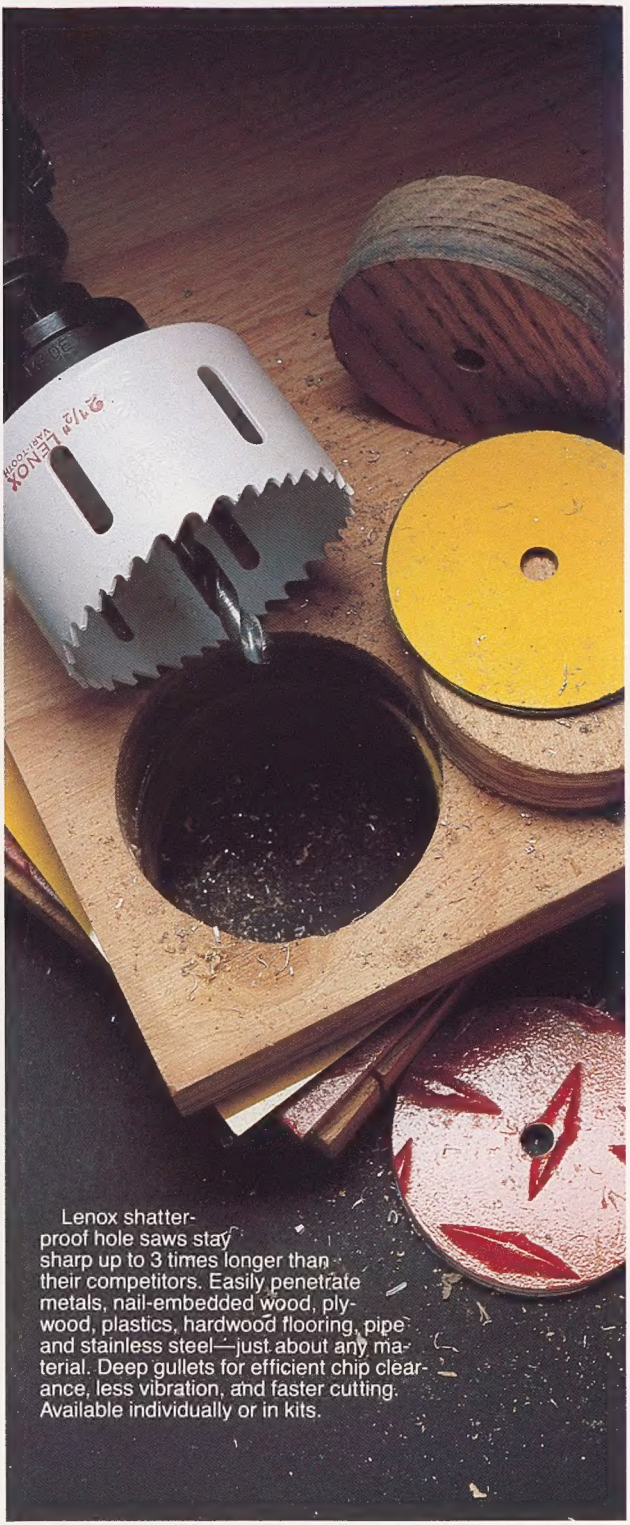
LENOX®

HOLE SAWS



Lenox shatter-proof hole saws stay sharp up to 3 times longer than their competitors. Easily penetrate metals, nail-embedded wood, plywood, plastics, hardwood flooring, pipe and stainless steel—just about any material. Deep gullets for efficient chip clearance, less vibration, and faster cutting. Available individually or in kits.

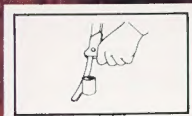
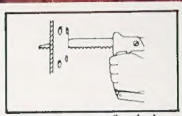
HACK BLADES AND FRAMES

Lenox Hackmaster 2 ® blades make all frames perform better. Cut pipe, conduit, aluminum, bar and stock, copper, and steel. Last up to 10 times longer than ordinary blades. Heavy-duty 12″ × ⅝″ blade available for cutting large sections.

You will never cut with another saw once you've tried our 4012 cast aluminum and steel frame. Blade won't twist when you bear down—won't bind in tough materials. See table for all models.

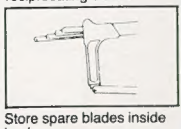


Can be used as a jab saw . . .



or as a compass/keyhole saw using No. 20585-156R reciprocating blade.

Blade also mounts at 45° angle for flush cutting.



Store spare blades inside back.

PORTABLE BAND SAW BLADES

Lenox Master-Band 2™ bi-metal blades last longer than competitive blades. They cut the toughest materials—including stainless steel. The highest performance blade you can buy.

Lenox Neo-Type® blades are the tough, all-purpose carbon steel blades for many applications. Cut brass, copper, aluminum, and non-hardened steel. Take extra tensioning, cut straight, resist breakage.

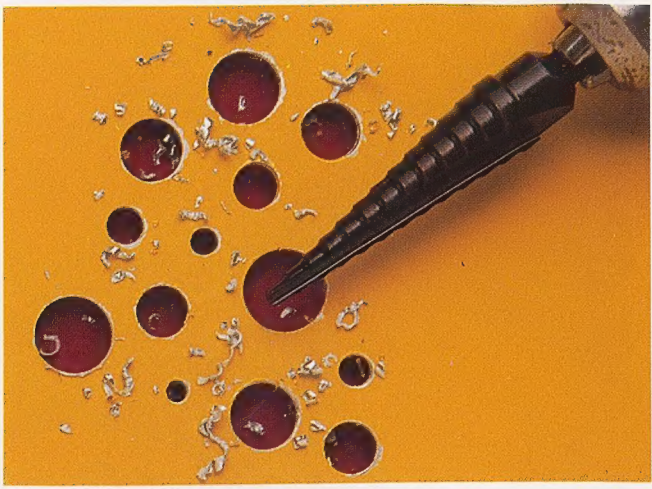
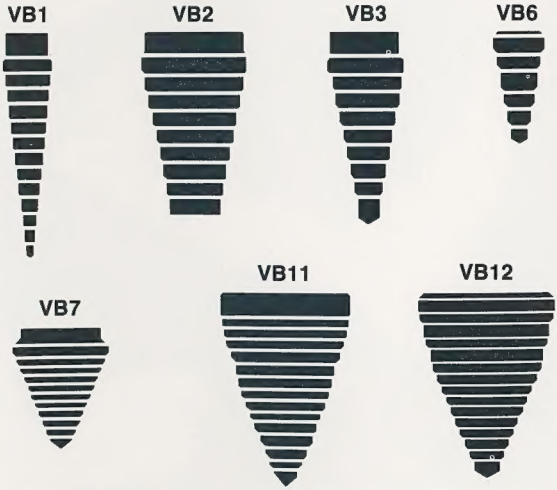
VARI-BITS®



Vari-Bit® Drill Bits

1 Per Pouch

Lenox Vari-Bits let you drill multiple size holes with just one bit! They quickly drill holes in most metals, plastics, and wood up to ⅛" thick. True drill point starts faster and double flute design cuts twice as fast as any bit like it. Generates burr-free holes. Vari-Bits are made of the finest high speed steel, engineered to outlast competitive bits by up to 2 to 1. (Patent #4582458).



Product Number	Bit	No. Hole Sizes	Size Range (Hole Diameter)	Electric Drill Size	Pilot Hole
30881	#1	13	⅛" - ½"	¼" & larger	No
30882	#2	8	9/16" - 1"	⅜" & larger	Yes
30883	#3	9	¼" - ¾"	⅜" & larger	No
30886	#6	2	⅜" & ½"	¼" & larger	No
30887	#7	1	⅞"	⅜" & larger	No
30888	#11	2	⅞" & 1⅛"	⅜" & larger	No
30912	#12	3	1⅛", 1¼", 1⅜"	⅜" & larger	No

PVC/ABS HAND SAW

PVC/ABS Plastic Pipe Hand Saw

5 Per Box.

General purpose hand saws end binding problems since they cut both ways—on the pull stroke and on the push stroke. They cut just about anything, including PVC, ABS—even nail-embedded wood—and stay sharp longer. Blade tackles any job, is replaceable, and changes in seconds.

Product Number	Description
* 20980-HSF-180	18" blade and handle
* 20985-HSF-120	12" blade and handle
20981-HSB-18	18" replacement blade
20982-HSB-12	12" replacement blade

*Hand Saws available in master packs of 30.
